WHAT IS IT?

Being HUMAN: What is It? dives into what many people in our nation attempt to avoid, the reality of abortion. This powerful, moving and challenging episode captures the viewer's mind through reason and inspires the viewer's heart through honesty. Interviewed are a physician, former abortion providers, and a philosophy professor who question and answer when life begins and what personhood means.

Watch this third Episode of the award-winning pro-life documentary that chronicles the campaigns, and learn how:

- * Over 215,000 joined together to pray and fast for an end to abortion
- * More than 1,500 lives were spared from abortion, as women chose life for their babies
- * 18 abortion workers quit their jobs and walked away from the abortion industry
- * Three abortion facilities stopped performing abortions, and three others completely closed down
- * Hundreds of women and men found hope and healing
